

# Happy Holidays!

Welcome to the Christmas holidays! Ron and I invite you to discover a new holiday Christmas tradition this year – some peaceful and romantic time for yourselves BEFORE the hustle and bustle of the holiday!

Book two consecutive nights (Sunday thru Thursday) between now and December 22nd and the second night will be 50% off. Why not savor the flavor of delightfully different lodging at the Inn at Harbour Ridge?

Lots of special things happening! Jump on board the Celebration Cruise Ship any Friday night between now and December 23rd to see Decked Out Docks! Any town can have a light park, but here in Osage Beach we're taking it one step farther... It's our first annual dock lighting contest to benefit the Dogwood Animal Shelter. The cruise is two hours long and decorated docks between the 13 and 21 mile markers will be viewed. Tickets are \$16 per person.

Saturday, December 3rd Santa lights up the Lake! Join the caravan as it moves thru Osage Beach to Bagnell Dam and stay for the bonfire and entertainment. Saturday, December 10th at 1PM is the Lake Area Christmas Parade, which leaves plenty of time to check out our local gift shops and boutiques OR our two new wineries!

[Main Street Music Hall](#) is five minutes away from the B & B and offers incredible holiday music and humor. Our guests enjoy \$5.00 off each ticket reserved with a one night stay or \$10.00 off each ticket with a two night stay.

Not only do we offer vouchers for the [Osage Beach Premium Outlets](#). We share our collection of VIP 'deeper discounts' with our guests. Before Christmas, after Christmas. . . the Lake is a shopping mecca! Yes, we'll offer our complimentary gift wrapping station beginning December 1st!

[Gift certificates](#) for the Inn at Harbour Ridge may be purchased on-line and downloaded (there you go procrastinators – a safety net!) or via a call to our toll-free number at 877-744-6020.

As in years past we'll help you ring in the New Year with a complimentary bottle of champagne or sparkling juice....and help you with a plan for dinner, too! Make those reservations by December 15th to qualify for the bubbly!

AND...the bald eagles are arriving! Ron and I will share the best viewing spots with you...Don't forget your binoculars. Formal Eagle Days programs are on January 7th and 8th but the birds are ready to greet you now!

We're pretty darned proud of our new Certificate of Excellence from Trip Advisor and wanted to share that good news with all of you. Thanks for your reviews;

thanks for staying with us!

We hope you'll make this a December to Remember and enjoy one of our special Christmas offers.

Happy Hearts!
