Lake of the Ozarks is a great place to be any time of the year – including January and February! So if you have serious cabin fever symptoms plan a fun filled getaway to the Lake and the Inn at Harbour Ridge.

What can we do at the Lake in the winter?

WATCH THE EAGLES SOAR OVERHEAD! Our national symbol is truly majestic and YOU have the opportunity to see them right here at the Lake during the winter months. Bring warm clothes and binoculars. We'll send you off with a map and a thermos of Harbour Ridge's special Chill Chaser and fix you hot chocolate when you come back! View them in the wild below Bagnell Dam or at Wilmore Lodge. Check out our January blog post about eagles: [CLICK HERE](#).

Once our Music Educator Friends leave the Lake, we'll have all four guestrooms in the Main B & B available for **Saturday Night Specials** to honor our teachers....Before the school bells rings again check your schedule for January 29th!
